## ORPHAN SUPPORT

**Home and school visits:** This activity mainly targets monitoring students' education progress and wellbeing. This year social organizers across Kenya, Uganda, Tanzania and Somalia ensured the effective implementation of this activity.

**Food packages distribution:** OSP Africa carried out quarterly food distribution exercise for sponsored students across all clusters in Kenya, Tanzania, Somalia and Uganda. The target was to provide families with regular meals throughout the year.

**Quran Competitions:** OSP team in Kenya, Somalia, Uganda and Tanzania organized Annual Qur'an competition which was aimed at enhancing a desire and habit to read Quran for sponsored students to encourage them to learn and recite Qur'an in the manner taught by the Prophet (S.A.W). The best students were recognized and awarded.

**Sanitary towels distribution and Hygiene kits:** Field officers from Kenya, Uganda and Tanzania conducted the distribution exercise across all the clusters to reduce girls avoid absenteeism cases.

Distribution of hygiene kits activity was aimed at creating awareness and promotion of personal hygiene and sanitation. Orphan students were given hygiene kits that comprised of soap, tooth paste, tooth brush, Vaseline, face masks, comb, nail cutter to improve their health.

# WATER FOR LIFE

Water for Life program is tailored to sustainable development goal No.6 (Clean water & sanitation) towards improving access to clean drinking water. The program involved constructions of shallow wells, boreholes and water reserves to support drought affected communities. HHRD Supports and strengthens the participation of local communities in improving water and sanitation management.

This year, HHRD has constructed 2 major water for life projects in Kenya; 1 borehole project at Ngatataek, Kajiado with over 30,000 people expected to benefit and 1 water purification plant in Kilifi, Kenya where over 15,000 people have benefitted.

Water for life team also constructed 17 submersible water pumps and 56 water wells in Kenya where over 104,700 individuals have benefited, 9 submersible water pumps and 27 water wells Tanzania with over 63,900 beneficiaries, 23 water wells in Somalia benefiting over 39,600 people and 28 water wells in Uganda with over 43,000 beneficiaries.

# WATER, SANITATION & HYGIENE (WASH)

At least 892 million people continue to practice open defecation according to facts in sustainable development goal No.6 (Clean water & sanitation). This program is geared towards construction and renovation of public toilets in areas with limited access to proper hygiene conditions, especially in schools, hospitals and other social amenities (public toilets).

HHRD has constructed a total of 12 latrines in schools across Kenya, Somalia, Tanzania and Uganda to benefit over 14,000 individuals.
