

**HELPING HAND**  
FOR RELIEF AND DEVELOPMENT

# PRELIMINARY 2024 Impact Report

As we reflect on 2024, Helping Hand for Relief and Development (HHRD) remains steadfast in serving humanity with compassion and dedication. Despite challenges in vulnerable regions, we delivered hope, relief, and growth opportunities.

Globally, our programs in over 63 countries have provided sustainable solutions, from constructing schools and water systems to offering vocational training, microfinance, and healthcare. Economic empowerment initiatives have equipped women and youth with skills to support their families, while disaster relief operations swiftly addressed natural calamities with care and compassion.

This progress is only possible through the unwavering support of donors, partners, and volunteers. *Together, we are serving, healing, and empowering the most vulnerable.*

May the Almighty bless you and your loved ones for your continued support of humanity. *JazakAllah Khair*
