

Discover the Power of a Charitable Remainder Trust

Join the Movement: Transform Lives for Generations

Imagine a world where your act of kindness could continue to ripple through the lives of others, long after your initial gesture. At Helping Hand for Relief and Development, we believe in the power of every contribution to create lasting change. As a valued member of our community, your support has been the cornerstone of our success.

Our mission to provide aid to those in need has been fueled by the generosity of individuals like you. We invite you to deepen your impact through a Charitable Remainder Trust (CRT)—a meaningful way to give that benefits you, your loved ones, and the countless lives you touch through Helping Hand.

Why consider a CRT? This form of giving allows you to convert highly appreciated assets into lifetime income. It's a powerful way to reduce taxes, increase your income, and give to a cause close to your heart—all at the same time.

What exactly is a Charitable Remainder Trust? A CRT is a tax-exempt irrevocable trust designed to reduce the taxable income of individuals by first dispersing income to the beneficiaries of the trust for a specified period of time and then donating the remainder of the trust to the designated charity. It's a win-win scenario where you can enjoy a steady stream of income and support our humanitarian efforts.

When is the best time to establish a CRT? The answer is simple—anytime is a good time if you're looking to manage your assets wisely while making a significant contribution to charity. Whether you're planning for retirement, looking to manage estate taxes, or seeking a way to give back, a CRT can be tailored to your financial and philanthropic goals.

Let me share with you a story of hope that your support makes possible. Last year, thanks to a CRT set up by a dedicated donor, we were able to build a well in a remote village. The ripple effect? Clean water for hundreds of families, improved health, and children who can now attend school instead of walking miles each day to fetch water. This is the transformative power of your support.

Join the ranks of other supporters who have discovered the joy of giving through a CRT. Not only will you be securing a legacy of compassion, but you will also inspire others to take a step towards making a difference.

Please remember, many of our supporters give stock, grant from Donor Advised funds, or make a Qualified Charitable Distribution, all of which are more "tax-smart" than giving cash. These methods of giving can greatly enhance both your philanthropic goals and your financial well-being.

Your support is invaluable, and every act of generosity counts. We invite you to consider establishing a Charitable Remainder Trust and join us in our commitment to provide aid and hope to those who need it most. Together, we can continue to make a profound difference in the world.

For more information on how you can create a lasting legacy with Helping Hand for Relief and Development, please contact us. Our team is ready to assist you in exploring the most beneficial and impactful ways to support our mission.

In closing, I leave you with an inspirational quote from Islamic principles that resonate with our shared values, "The example of those who spend their wealth in the way of Allah is like a seed [of grain] which grows seven spikes; in each spike is a hundred grains. And Allah multiplies [His reward] for whom He wills." (Quran 2:261)

May your generosity continue to be multiplied and your kindness become a beacon of hope for many.
