

HHRD ENDOWMENT FUND (WAQF) Perpetual Philanthropy

Hope and healing are powerful forces. They can transform lives, rebuild communities, and inspire change that lasts for generations. This is what you make possible every time you support Helping Hand for Relief and Development.

Right now, we are faced with a critical opportunity – an opportunity to create a legacy that will endure, a chance to invest in the future of those in need. I am talking about the concept of Endowment (WAQF) – a tradition of Perpetual Philanthropy that allows you to extend your impact far beyond your lifetime.

What is WAQF? Simply put, it's a sustainable charitable endowment. When you contribute to WAQF, your donation is invested, and the returns are used to fund vital projects year after year. Your generosity becomes a renewable resource that keeps on giving.

Why consider WAQF? Because it's a way to ensure that your charitable efforts continue to make a difference, even when you are no longer here to see them. It's a means of sowing seeds that will grow into forests of good deeds, providing shelter, education, and hope for countless souls.

When is the best time to start? There's no time like the present. Every moment we wait is a moment lost for those who need our help. With every delay, a child may go another day without clean water, a family another night without a safe place to sleep, a community another year without the means to lift themselves out of poverty.

But there are dos and don'ts to consider. Do think long-term. WAQF is about sustainable impact, so consider the lasting benefits of your contribution. Don't forget the needs of today. While we plan for the future, our immediate actions can provide urgent relief to those in dire need.

This WAQF will become a symbol of hope, when it helps us take your every dollar donated even further – proof that when we join forces, we can create waves of positive change by eliminating our operational cost in USA and eventually Global operations. Insha'Allah

Together, we can build a legacy of compassion and care that will ripple through the ages.

Now, the question of ask: Will you make a donation today to help us continue our mission? Your gift, no matter the size, will contribute to the lasting change we are all striving to achieve. And remember, there are many "tax-smart" ways to give. Many of our supporters give stock, grant from Donor Advised funds, or make a Qualified Charitable Distribution, all of which can be more beneficial than giving cash.

Let's embrace the power of Perpetual Philanthropy. Let's build a future where hope is a constant, and healing is a given.

As we reflect on the power of our actions and the legacy we leave behind, We leave you with an inspirational quote that resonates deeply with our mission:

"The true meaning of life is to plant trees, under whose shade you do not expect to sit."
– Nelson Henderson.

This captures the essence of WAQF – planting the seeds today for a shade that will comfort many tomorrows.
