

## Make a Difference with Every Dollar

Your generosity is the wings upon which hope takes flight. Each contribution you make doesn't just help someone in need – it transforms lives, communities, and futures. You are the heart of change.

### Join the Movement - Your Impact Matters

You're not just giving; you're joining a community dedicated to making a difference. Like you, our supporters understand the power of collective action. Together, we're providing essential aid to those who need it most, and your participation makes our mission possible.

### Smart Giving: Multiply Your Impact

Remember, there's more than one way to support our cause. Many of our supporters give stocks, grants from Donor Advised funds, or make a Qualified Charitable Distribution, which can be more "tax-smart" than giving cash. These methods can stretch your dollar further, helping both those we serve and your financial planning.

### IRA Charitable Rollover: A Win-Win

Are you 70½ years old or older? Consider making an IRA Charitable Rollover gift. It's a simple and tax-effective way to make a difference. The IRA Charitable Rollover allows you to transfer up to \$100,000 directly to a qualified nonprofit without having to pay income taxes on the money. This can count towards your required minimum distribution, making it beneficial for you and impactful for those we help.

### Tax Benefits Tailored for You

Not everyone will benefit from an IRA Charitable Rollover, but for those who do, the advantages are significant. If you're seeking a tax-wise way to give, this could be your best option. Consult with your financial advisor to understand how this gift could fit into your financial goals.

### IRA Rollover at Its Best

When you choose to give through your IRA, you're ensuring that every penny goes towards our cause. There are no overhead costs, no deductions – just direct aid to those who need it most.

### Helpful Hints for IRA Giving

Plan early – the earlier you decide to make an IRA rollover gift, the smoother the process will be. Ensure that you direct the funds properly, as personal withdrawals do not qualify. Don't miss out – if you're required to take minimum distributions, consider using the IRA Charitable Rollover for a tax-efficient donation.
