CEO Message

A handwritten signature in black ink, appearing to read 'Javaid Siddiqi', written in a cursive style.

Javaid Siddiqi
CEO, Helping Hand for Relief & Development

With immense gratitude, I extend heartfelt thanks on behalf of Helping Hand for Relief and Development (HHRD) as we present our Annual Report for 2023. In a year marked by unprecedented challenges, we are profoundly thankful to Allah (SWT) for enabling us to respond to the needs of the vulnerable with compassion and unwavering dedication.

Throughout the past year, our commitment to emergency response remained unwavering, reaching displaced families and refugees in Afghanistan, East Africa, Morocco, Pakistan, Türkiye, and Northwest Syria. The situation in Palestine, particularly Gaza, stirred our collective disbelief and desire for justice. HHRD, with relentless effort, has been providing crucial aid, and we remain hopeful for increased accessibility across the Rafah border.

In the face of daunting circumstances, our dedication to delivering vital support, including food, medical assistance, and shelter, persists. Our resolve to humanitarian relief underscores a sincere commitment to positively impacting lives amidst ongoing challenges. We pray for an end to the suffering faced by our Palestinian brothers and sisters, with the hope that peace and stability prevail during these trying times.

Despite the hurdles, we take pride in our achievements in 2023. Expanding projects and forging new partnerships allowed us to reach more people in need. Addressing systemic issues contributing to poverty, such as limited access to education and healthcare, remained a crucial focus.

Looking forward, we acknowledge the significant challenges within the humanitarian sector but remain resolute in our commitment to service with passion and dedication. Together, we can continue making a meaningful difference in the lives of those in need.

A special expression of gratitude goes to our donors and supporters. Your generosity has been the driving force behind our work, enabling us to provide relief and hope to those who need it most.

Thank you for your ongoing support.

Financials

Intro

Helping Hand places the utmost importance on the careful handling of funds entrusted to us by our committed supporters. Our devoted team works tirelessly to identify and invest in initiatives that guarantee the highest positive impact on the most vulnerable populations worldwide, ensuring tangible benefits for those in need.

Our Partners

HHRD collaborates with a diverse range of partners, spanning from local community support groups to national alliances, and it extends its network to numerous international connections.

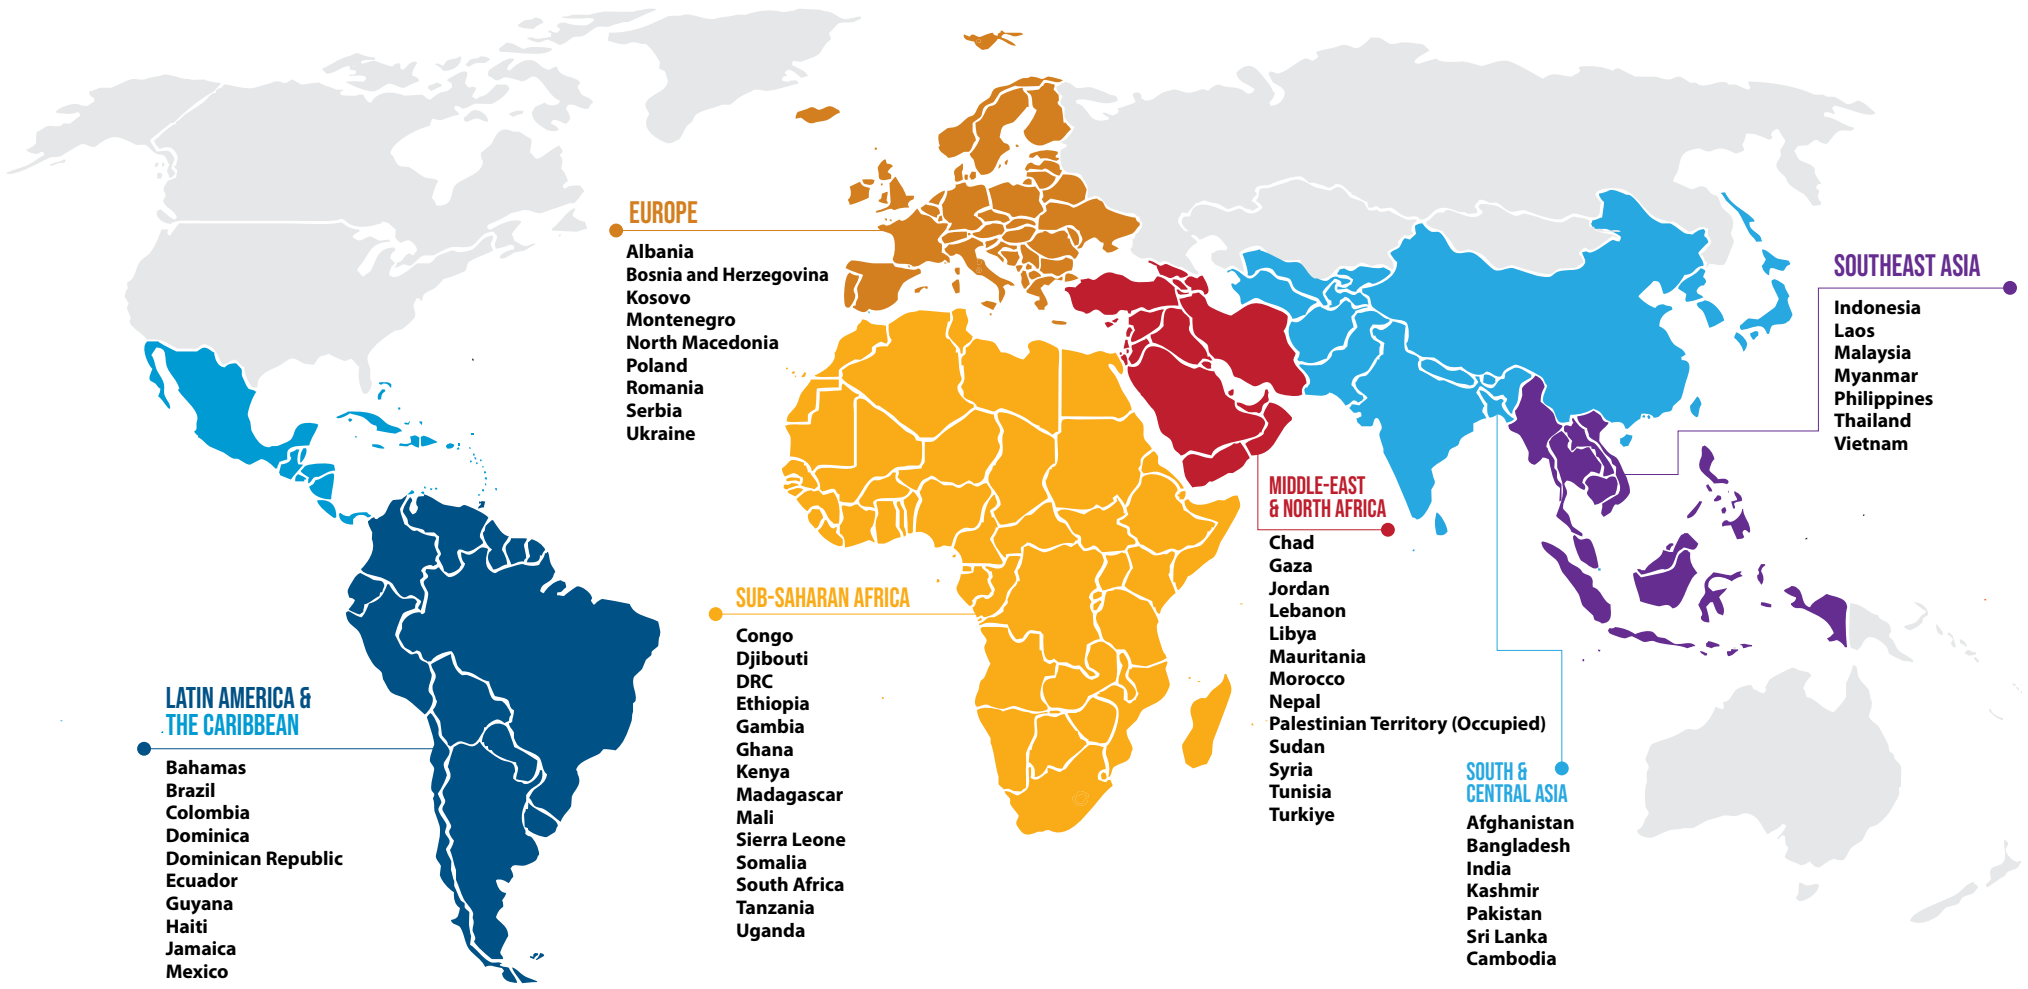

**18 YEARS
OF SERVICE TO
HUMANITY**

We Are Global

HHRD's global impact is experienced by beneficiaries in over 63 countries. In 2023, we provided programs and services that had a lasting impact on the lives of individuals. Recognized as a global humanitarian organization, HHRD responds to human suffering in emergency and disastrous situations worldwide, irrespective of race, gender, ethnicity, class, or religion.

2023 IMPACT

Humanity got hit by several natural and manmade calamities' in 2023.

Helping Hand for Relief and Development (HHRD) responded to several of these calamities' as well as continued to work on the established developmental programs & projects across the globe, contributing towards the Sustainable Development Goals (SDGs) of the world.

By the end of Year 2023, through your benevolence, HHRD was able to serve almost 11 million fellow human beings, bringing a positive change in their lives, and giving them much Hope through Help & Healing, & all this By the Grace of our Creator – The Most Merciful.

May God – The Most Gracious: Immensely Bless you, and your family & friends (Aameen)

Core Values

HHRD upholds honesty and transparency as foundational principles

HHRD's core values, rooted in compassion and empathy, drive a commitment to mutual respect, equity, and justice. With a focus on caring for the marginalized, HHRD upholds honesty and transparency as foundational principles, fostering a global community of support and empowerment.

1. **Mutual Respect:** Recognize the inherent worth of every individual, celebrating the richness that differences bring to our shared human experience.
2. **Equity and Justice:** Dedicate ourselves to ensuring equal opportunities for everyone, irrespective of their race, gender, color, socioeconomic status, ethnicity, disability, or location, fostering a world where everyone has a fair chance to thrive.
3. **Care for All:** Reach out with empathy and support to vulnerable communities, including orphans, widows, seniors, and persons with disabilities, fostering a community that cares for its most marginalized members.
4. **Honesty and Transparency:** Acknowledge the impact of our actions at every level and uphold honesty and transparency in our decisions and interactions, building a foundation of trust and accountability in all that we do.

The Work

HHRD's programs stand as a beacon of impactful humanitarian work, leaving a profound mark on our beneficiaries. Through diverse initiatives, we extend a helping hand to individuals in some of the most deserving parts of the world, addressing pressing needs with precision and compassion. With 18 years of service, our diverse range of 14 programs underscores a comprehensive approach to uplift and empower communities, embodying the organization's steadfast commitment to humanity's well-being.

Education Support Program

Education Support Program

...And say, 'My Lord,
increase me in knowledge.'

-Quran 20:114

At HHRD, we believe in fighting poverty through education. Our Education Support Program aims to assist children by providing various scholarships and facilitating access to quality secondary and higher education opportunities. The program aims to positively impact the educational journey of vulnerable and deserving populations in Pakistan, Kenya, Uganda, Haiti, Jordan, Bangladesh, India, Bosnia, Thailand, and Indonesia.

In Cox's Bazar, Bangladesh, the Childcare Homes go beyond just education—they offer Rohingya refugees essentials like nourishing foods, hygiene kits, and fun extracurricular activities.

Understanding the unique challenges Syrian refugees face, the program sets up learning centers in deserts to ensure non-school-going Syrian children don't miss out on education. In areas where schools for Syrian refugees are crowded, extra mobile classrooms are provided.

HHRD's Education Support Program shows our commitment to tearing down barriers, promoting overall development, and empowering communities for a better tomorrow.

Meet Ammar Ibrahim Killawi

Ammar, a former orphan sponsored by Helping Hand, faced adversity from a young age. He lost his father in Syria at the age of five. After fleeing to Jordan with his mother and brothers in 2012, they coped with challenges with minimal support. Introduced to Helping Hand, Ammar enrolled in the Orphan Support Program, which sustained him through high school. Despite facing hardships, he harbored a lifelong dream of becoming a nurse. After successfully applying to Al-Zaytoonah University, Ammar completed his nursing studies with support from Helping Hand. Alhamdulillah, he recently graduated and commenced training at a reputable hospital in Jordan, embodying resilience and determination.

Ammar's message to HHRD and its donors expressing his deep appreciation, *"I want to express my heartfelt gratitude to HHRD and the kind-hearted donors who played a crucial role in my journey. Nursing is a profoundly meaningful profession that enables me to assist and care for those in need. My heartfelt prayers go out to HHRD and its generous donors, wishing them a long and prosperous life. May Allah SWT shower His blessings upon them. Ameen."*

Children With Disabilities Program

Children With Disabilities Program

The Children with Disabilities Program acknowledges the significant discrimination and social difficulties that these special children endure. Poverty, ignorance, prejudice, and the lack of services and support worsen their situation.

The program is a beacon of hope for vulnerable children facing immense challenges. With an **annual donation of \$720 or \$60 per month**, individuals contribute to the essential rehabilitation and support these children deserve. This funding goes a long way in providing specialized care, educational resources, and necessary therapies tailored to their unique needs.

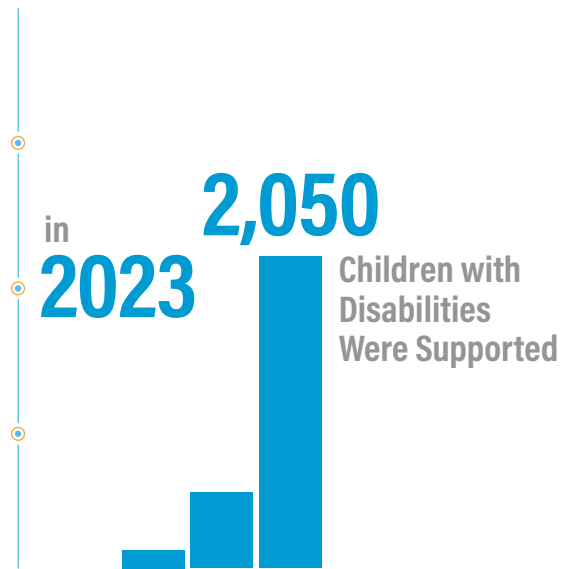

The Holy Prophet is reported to have said,
“Verily Allah does not look at your bodies nor at your faces, but He looks at your heart.”

-Muslim

One of the children benefiting from this program is Mahnoor

Mahnoor, faced with weakness in her lower limbs, encountered challenges in performing everyday tasks. Our compassionate team in Nawabshah, Pakistan swiftly registered her, providing regular medical checkups, free physical therapy services, education, and essential nutrition. Mahnoor’s remarkable journey includes overcoming hurdles, as she has not only adapted well, but now walks with ease. Engaging in playful activities with other kids, she exudes newfound confidence, a testament to the transformative impact of the support she has received.

Abilities Worth Fighting For

- 495 children enrolled in Special Needs Schools
- 293 children received Prosthetics and Orthotics
- 507 children received Mobility Aids
- 561 children received Hearing Aids
- 2050 received Food and Nutrition Support
- 2050 received Health Screening

Help Them Reimagine Their Future

\$60/month
can provide
a child with the care
they deserve

Orphan Support Program

Orphan Support Program

The Holy Prophet said,

**“O Allah! I have forbidden failing
the right of the two vulnerable ones
— the orphan and women.”**

HHRD strives to support orphan children and offer them safe and stable sustenance through our Orphan Support Program. This comprehensive program is designed to help innocent orphan children with food, education, healthcare, and psychosocial support.

In 2023, HHRD took a significant step to enhance vital food assistance within the Orphan Support Program on a global level. Starting January 1st, 2024, the monthly contribution for this program has been raised to \$50. The decision to adjust the sponsorship amount was influenced by factors such as rising inflation, high unemployment rates, and the prevailing geopolitical conditions worldwide.

HHRD’s Orphan Support Program, spanning 21 countries and three refugee populations, has achieved remarkable milestones. Along with providing food security, healthcare, and education, our integrated approach encompasses leadership camps, career counseling, sports, arts competitions, workshops for guardians and teachers, financial support, and monthly follow-up visits, reflecting our dedication to the holistic development of orphaned children worldwide.

28,100

Orphans Were Supported in

2023

Some of the countries where orphans were supported include:

PAKISTAN 10,400
JORDAN 4,000
AFRICA 3,750
AFGHANISTAN 2,600
BANGLADESH 750
LEBANON 250

For All the Tears They've Cried, Help Care for an Innocent Child

A small amount for a lifetime of happiness

\$50

/month can provide orphan children with:

- Food • Education • Healthcare
- Psychosocial Support

Skills Development And Livelihood Program

Skills Development and Livelihood Program

Our Skills Development and Livelihood Program (SDLP) offers a range of instructor-led courses to those in need and aims to empower them by either teaching a brand-new skill or polishing an existing one.

The mission is to break the cycle of poverty by providing knowledge and empowering families to overcome challenges and improve their circumstances.

SDLP has successfully established 52 Skills Development Centers and implemented 7 Livelihood Projects, across 21 countries. We expect to expand this program to two more countries by the end of the year, reaching 23 countries in 2024.

Our skilled workers were able to produce over 60,000 products such as school bags, uniforms, jewelry, knitted clothes, paintings, resin art, and much more.

More than 1,300 graduates received startup entrepreneur kits, which provide them with the necessary tools to enter the job market or establish their own enterprises.

Pajjani is one of the individuals who has greatly benefited from this program

Mrs. Pajjani Rajbansi, a 38-year-old homemaker from Rajgadh Baradashi-3, Jhapa, took on the responsibility of her three family members while enrolling in HHRD Nepal's Optical Dispenser training, located 48 km away in Damak, Jhapa.

Despite the daily three-hour commute, her determination led her to successfully complete the intensive three-month program. After graduation, Mrs. Rajbansi established "Nava Drishti Chasma Pasal" in her small town, employing an ophthalmologist for eye check-ups and crafting optical lenses.

Her shop not only fulfills her dream but also supports her family financially, making her a source of inspiration in her community.

Empower Lives Through Skills Trainings

- Supported 1,700+ graduates with business startup toolkits
- Assisted 2,800+ graduates in establishing businesses or pursuing self-employment
- Provided 60+ diverse courses and trainings
- Enabled 199 farmers with olive farming training, equipment, and 22,250 plants for sustainable livelihood
- Empowered SDLP artisans to create over 70,000 products

Comprehensive Physical Rehabilitation Program

Comprehensive Physical Rehabilitation Program

Our Comprehensive Physical Rehabilitation Program (CPRP) offers a range of services to rehabilitate patients physically, mentally, socially, and economically with the aim of making them independent and productive members of society.

The mission is to treat, rehabilitate, educate, and advocate people with congenital or acquired musculoskeletal and neuro-muscular conditions or deformities.

Integrated with our Children with Disabilities Program and Healthcare and Nutrition Program, we are able to provide comprehensive care and improve the quality of life for people in need.

Our projects transformed obstacles into opportunities with:

- Wheelchairs – restoring mobility and freedom to the disabled in Afghanistan, Bangladesh, Cambodia, Vietnam, Indonesia, Laos, Jordan, Kenya, Somalia, Tanzania, Uganda, Congo, and Pakistan
- Hearing aids – opening up a universe of communication and learning for Syrian and Palestinian refugee children in Jordan
- Prosthetics and Orthotics (Artificial Limbs and Assistive Devices) – enhancing mobility and functionality for those with physical limitations
- Physical Therapy, Occupational Therapy, Speech Therapy, and Psychotherapy

10-year old Shareef Ullah's life changed after receiving physiotherapy through CPRP

Diagnosed with Gullian-Barrie Syndrome, Shareef Ullah's parents prayed for a miracle. He was unable to sit or stand independently and eventually became completely confined to bed. After receiving treatment from the Comprehensive Physical Rehabilitation Program's Pediatric Physiotherapy Department in Mansehra, Pakistan, Shareef Ullah began to walk, sit, roll from side to side, and hold objects on his own. He is still continuing treatment for further improvement. Shareef Ullah's parents are grateful to Allah SWT, HHRD, and donors like you, for giving their son a chance at a better life.

247,918+ Beneficiaries

January to December, 2023
Health Post
BEST OF PRAYERS FOR THIS SUPPORT

Healthcare And Nutrition Program

Our Healthcare and Nutrition Program (HANP) offers a range of physical and mental health services to underserved and disaster-hit communities. Healthcare is a basic human necessity, and this program aims to focus its attention on some of the most pressing health issues afflicting people today.

The mission is to provide affordable, accessible, and efficient health services to the poor, vulnerable, and excluded communities.

Integrated with our Children with Disabilities Program and Comprehensive Physical Rehabilitation Program, we are able to provide complete care and improve the quality of life for people in need.

Samira Ali's prayers were answered when she learned of HANP

A Yemeni Refugee in Hargeisa, Somaliland and the mother of seven children who are all unemployed, Samira's life wasn't easy. She had suffered from cataracts for five years and could not afford surgery. After praying for many years, she was able to have a successful surgery done on her right eye. She was overjoyed to regain clear vision, which has since allowed her to return to work. She is grateful to Allah SWT, HHRD and the donors who made her recovery possible.

Our projects include:

- Medical Camps and Mobile Health and Dental Services - emergency care for devastated communities, rural areas, and refugee camps
- 10,000+ successful cataract surgeries - restoring eyesight and independence
- Rapid Response Units and Ambulances - ensuring emergency relief and safe transportation
- Mother & Child Healthcare and Nutrition Centers - providing quality ante-natal, post-natal, and neo-natal care, along with immunization and nutritional services

...and much more.

2023

Affordable, Accessible, and Efficient Health Services

- **18,845** Benefited from Our Mobile Dental Clinics in Bangladesh
- **9,623** Cataract Eye Surgeries Performed Across 16 Countries
- **19,502** Orphans and Their Families Received Care in Afghanistan in Mobile Medical Clinics
- **14,164** Patients Received Help at Our Mother & Child Healthcare Center in Pakistan

www.hhrd.org/healthcare

Across the world, we respond to evolving situations with in-kind donations, deployment of mobile health clinics and partnerships with other HHRD emergency relief actions.

Our goal is to eliminate the barriers to good health and ensure equitable access to medical resources.

In-Kind Gifts Program

In-Kind Gifts Program

Through our In-Kind Gifts Program, regional teams and our partners sent 157 consignments of essential necessities to people in need around the world in 2023. We served 11 destinations such as Afghanistan, Pakistan, Bangladesh, Nepal, Djibouti, Tanzania, Jordan, Lebanon, Syria, Gaza, and Turkey.

HHRD sends hundreds of containers, filled with generous donations, every year to refugee camps and impoverished communities worldwide. These in-kind gifts have transformed into beacons, radiating hope and relief to communities in distress. Through In-kind gifts, over 2 million individual beneficiaries receive clothing, hygiene items, diapers, food, medical supplies, and much more every year.

That's over 2 million people who have received clothing, hygiene items, diapers, and much more.

In 2023 you helped send boxes of toys, boxes of love, to children in refugee camps and impoverished communities all over the world.

Prime Achievement of 2023: Getting a container to Gaza

On October 7th, 2023, a humanitarian crisis unfolded in Palestine. The event prompted the closure of borders and hindered relief organizations from sending needed emergency aid to Palestinian people for several weeks. Due to the escalating situation in Gaza, hundreds of Palestinians urgently needed medical supplies and aid. The situation worsened with food shortages and scarcity of clean water, resulting in the death of thousands of Palestinians, while even more were struggling to survive with sustained injuries.

In response to this urgent humanitarian crisis, the In-kind Gifts program prepared and successfully sent containers with essential medical supplies and bedding items to Gaza. Despite the challenges, our team remains steadfast in our commitment to providing aid to those in need. Our efforts to send additional consignments to Gaza will persist in the coming days, as we strive to make a meaningful impact and alleviate the suffering of the Palestinian people during these challenging times.

in
2023

you benefited over
2.5 MILLION
people with our In-Kind Program

157 Containers

valued at
around

\$30 million

were sent to:

- ...and more!

Seasonal Programs

Seasonal Programs

Our Seasonal Programs lend a helping hand to vulnerable communities throughout the year. Food, clothing, blankets, and other necessities are provided to bring ease to our brothers and sisters around the world.

**In 2023, you sent
the gift of warmth to
75,000+ individuals**

Ramadan Food Program

During this blessed month, we ensure that families have a fulfilling iftar. Essential food items such as rice, lentils, flour, oil, and more are provided to families in need, spreading joy and nourishment.

Global Udhiyah and Qurbani Meats

Qurbani involves the voluntary sacrifice of an animal, and the meat is distributed among the needy. During the blessed month of Dhul-Hijjah, we ensure families that might not have regular access to protein-rich food receive this special and valuable sacrificial gift of meat.

Winter Relief

Through carefully curated packages containing vital essentials like jackets, warm clothing, socks, gloves, hats, bedding, heaters, and nonperishable foods, we bring warmth and comfort to communities in need, ensuring they are equipped to withstand the frigid temperatures.

You ensured families had food to eat during Ramadan

You provided the luxury of meat to families with your Qurbani

You gave the gift of warmth to those facing frigid temperatures

in
2023

your kindness helped

3,750,000

people through our Seasonal Programs

In 2023, your kindness helped 3,750,000 people through our Seasonal Programs; some of these included

- **360,800+** Individuals Received Ramadan Food Packages
- **3 Million** People Were Provided with the Luxury of Qurbani Meat
- **75,000+** Benefited from Your Winter Aid

Shelter Relief Program

Shelter Relief Program

HHRD's Shelter Relief Program provides modern shelters for those impacted by poverty, war, and disasters across Asia, the Middle East, and North Africa, using local resources to boost economies. In the deserts of Jordan and Lebanon we provide Caravan of Hope Homes and Caravan of Hope Learning Centers for refugees who are living in tents and who do not have access to traditional schools.

This past year saw ambitious projects like creating new homes for displaced Pakistanis after the devastating floods and establishing two new villages in Northern Syria after the earthquake of February 6th. HHRD also built shelters for Rohingya refugees in Bangladesh, and provided weather-resistant housing for impoverished Cambodian families.

**In 2023, you helped
provide a secure home
for 16,182 people**

Ezzo is someone who is very grateful for HHRD's Shelter Relief Program

Ezzo came to Jordan as a refugee with his wife, four daughters and two sons in 2013. While his children were young, the family of eight were packed inside one tent. However, as the children grew, privacy became a struggle. The tent had to be divided between the men and the women. To make matters more difficult, they did not have a restroom. The public restroom was 15 meters away, making it dangerous at night.

This family was gifted with a Caravan Home with two rooms, a restroom, and a kitchen. Ezzo's daughters have a safe place to stay, with sealed doors and privacy. They do not have to leave their home in the middle of the night to find a restroom.

in
2023
you helped benefit
16,182
people with our
Shelter Relief Program

**You helped provide safety
and security - you helped
provide homes**

- 306 Shelters Homes were built**
- 9 Learning Centers were established**
- HHRD Villages 1 and 2, each
consisting of 250 homes, were finished**
- 200 Caravan of Hope Homes were constructed**

Program - Laghman Afghanistan

Project #: 2021 - 19 - 0106

HELPING HAND
FOR RELIEF AND DEVELOPMENT

Water and Sanitation Hygiene Program

Water And Sanitation Hygiene Program

Our Water (For Life) And Sanitation Hygiene Program (WASH) is constantly developing and growing to provide water and sanitation systems to refugee and impoverished communities. Through this program, HHRD builds water wells and bathroom units to provide clean water for entire communities.

The WASH program is currently established in 17 countries, implementing 23 varying projects, as needed. These projects include everything from Hygiene Kits to Bio-Sand Filtration Systems. WASH Programs are established to provide a necessity in life and an improved quality of life.

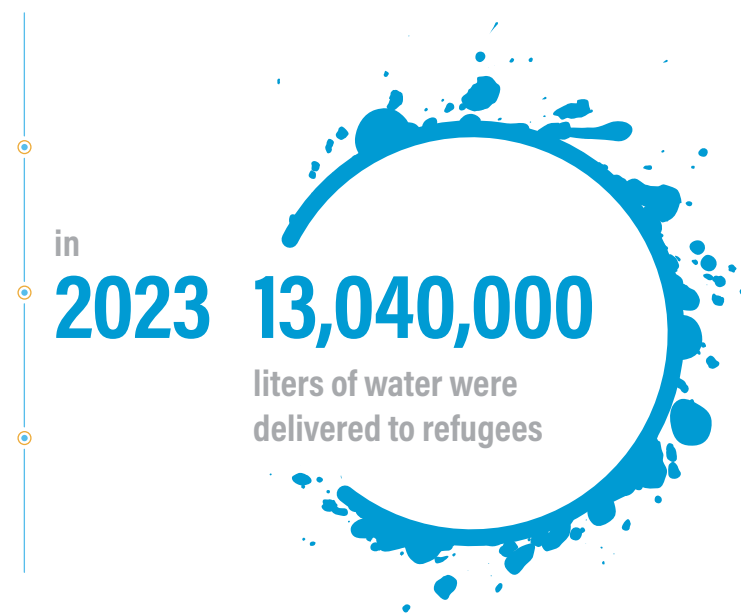

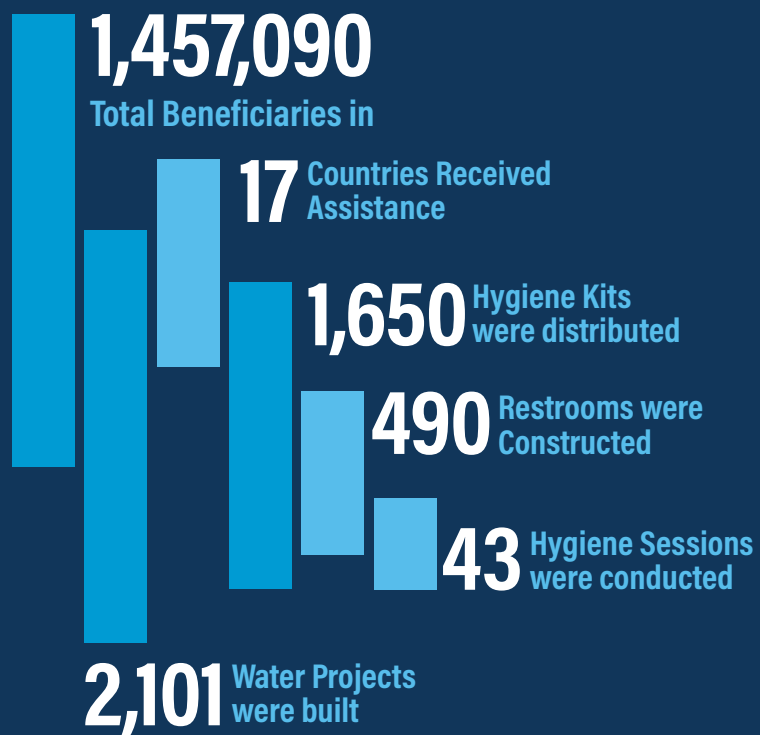

In 2023, you helped provide water to 81,521 individuals

In the heart of Kakamega County, Kenya, Mumias Muslim Primary School faced a paradox — abundant rainfall, yet a dire lack of accessible clean water

Students embarked on long journeys to fetch water, exposing them to health risks and diverting precious time away from their studies. The situation emphasized the critical need for a sustainable solution to ensure access to clean water for the entire school. Determined to overcome this challenge the school community requested HHRD Africa WASH department to help install water tanks.

HHRD teams strategically placed a 10,000-litre rain collection tank across the school compound, utilizing efficient gutter systems to capture and store rainwater.

Today, Mumias Muslim Primary School stands as a symbol of resilience and unity, proving that even in rain-prone regions, challenges can be transformed into opportunities for positive change. The Rainwater Harvesting Project not only quenches the school's water problem but fosters a sense of collective responsibility. This project is benefiting over 1,426 learners and community members at large.

When you give the gift of water, you give the gift of life

Youth Empowerment Program

Youth Empowerment Program

HHRD's Youth Empowerment Program is designed to mentor and cultivate today's young leaders both in the US, and abroad.

The program is committed to making youth dynamic and conscientious members of society by providing opportunities that help them learn invaluable skills such as communication, critical thinking, problem-solving, leadership, humanitarian assistance, and much more.

Through HHRD's Youth Empowerment Program, students can volunteer with us, cultivate their own projects, and build a sense of connection with our global Ummah.

Young students have pioneered the shipment of In-Kind containers with their schools, helped to fund various projects, and even traveled to directly meet HHRD beneficiaries and work hands-on on specific projects.

Hayyan is an HHRD Youth who has become a part of the global family, working to benefit everyone around him

Hayyan M. began volunteering with the HHRD Houston regional office with his high school Muslim Students Association (MSA). Long after he graduated, his volunteerism did not stop. Hayyan showed up every weekend to sort and pack boxes to send In-Kind containers. He helped the regional office by volunteering for events and eventually becoming Volunteer Lead, organizing entire volunteering events on his own.

It was through his involvement that Hayyan learned about the Youth for Africa and Youth for Jordan trips. He embarked on both. On the Youth for Africa trip, Hayyan helped provide water from water wells, distribute food and play with the children of the community. On the Youth for Jordan trip, Hayyan helped assess the needs of the education facilities, witnessed the deliverance of a restroom unit to the refugee camp, and distributed toys from the current In-Kind shipment.

In Hayyan's words, "HHRD is a second home for me in every way. I can see the parts of my family in need and I can actually do something for them. The duas they make for me... I don't need anything else in the world."

in

2023 we had **4,720**

youths
participate
with their
local regions

Together we:

- Volunteered
- Took empowerment trips
- Lead projects

LEADERS of
TOMORROW

Emergency Relief and Disaster Management

Emergency Relief and Disaster Management

HHRD's Emergency Relief and Disaster Management Program plays a pivotal role in responding to global crises in the Middle East, Asia, Africa, Latin America, the Caribbean, the Balkans, and Eastern Europe. We help communities rebuild after disasters, conflicts, and wars.

In 2023, ERDM successfully executed 63 relief projects. Hot meals, food, nonfood items, clothing, hygiene kits, water, medicine, heating materials, shelter, and medical camps benefited 500,774 individuals in 23 countries and refugee populations.

ERDM helped communities rebuild with permanent housing, washrooms, skills development, orphan support, healthcare, nutrition and education support in Pakistan, Afghanistan, Northern Syria, Türkiye, Morocco, Jordan, and Lebanon.

In Afghanistan, Kenya, Jordan, and Nepal, capacity-building workshops trained staff and volunteers for more effective disaster responses.

In Pakistan, where the risk of flooding is heightened, community awareness sessions are provided to ensure residents take necessary precautions.

In 2023, 1,401,551 individuals benefited from our Emergency Relief provisions

Amidst Turmoil HHRD Provides A Ray of Hope

Abu Islam, his wife, and their children, 9-year-old Islam and 6-year-old Fatima Zahra, resided in a mountainous Atlas Mountains house. With the nearest pharmacy three hours away, Abu Islam struggled to obtain medicine for his ailing son. As night fell, an earthquake struck, causing their house to collapse.

Amid the chaos, Abu Islam could not save Islam, who succumbed to the tragedy. Stranded for hours, they endured the cold until authorities reached them. HHRD emerged as a beacon of compassion, providing mattresses, blankets, food parcels, and personal hygiene items. Acknowledging the trauma, they also brought toys for Fatima Zahra. Abu Islam expressed deep gratitude to HHRD's generous donors and dedicated team for extending a helping hand during their darkest hour, ensuring the family's access to basic necessities.

in
2023 we witnessed a
colossal need for
emergency interventions
throughout the world

Emergency Relief and
Disaster Management
Department executed

63

Relief interventions,
assisting thousands of people
in need across the globe.

Some of them included:

- 53,008 Refugees
- 180,388 Flood Victims
- 170,413 Earthquake Victims

Planned Giving

Planned Giving

Planned Giving at HHRD offers donors options that secure the future of their family while also securing their charitable giving.

Financial, religious, and professional consultants are available to help donors create a plan that is right for them.

Planned Giving options include:

- Bequests - gifts made as part of a WILL or Trust and payable upon a donor's death
- IRA Beneficiary Designation
- Charitable Remainder Trust - donor receives an income stream from the trust and HHRD receives the remaining trust assets at the end of the trust term
- Charitable Lead Trust - HHRD receives an income stream from the trust for a term of years
- Stocks and Mutual Funds - transfer from brokerage account and see combined tax savings of up to 70% of gift

...and more.

Leave a Legacy of Impact

Secure endless
charitable giving
through:

- **Bequests**
- **Charitable Remainder Trust**
- **Charitable Lead Trust**
- **Stocks and Mutual Funds**
